Wolf International Realty
Real Estate Company

Downtown
Los Santos
San Andreas

Near to "Mirror Park" in a quiet place with a friendly neighborhood.

How to install :

It must be initially Map Editor (included in RAR). Then copy the file "luxuryhouse" in the root folder of the game.

In the game:

- Press F7: MapEditor opens
- Select: Load map
- Select: XML
- Write: luxuryhouse
- Once the map loaded, select the doors and _door facgate (one by one)
- Activate DYNAMIC so that doors open

Mention :

- Map created by FanSim
- V2 (Final)* except: if bugs
