

Car Texture Details

In this document you'll find the reasons for putting logos in specific parts in every car

Caprice

Left picture shows with red frames Raccoon City's Police Department generic logo with "R.P.D." and POLICE "stickers". In right pic, red frame shows that there are two versions for each model: with and without STARS logo

Red frame shows a clearer image of Raccoon City's Police Department generic logo. Notice: it's the same which was used in patrol cars in Resident Evil Retribution (lower image)

Red frames show
Caprice's details
according to previous
descriptions (RPD
version)

Red frames show
Caprice's details
according to previous
descriptions (STARS
version)

Red frame shows car's handle from a Crown Victoria, not from Caprice, also Raccoon City's Police Department generic logo is show

In lower pictures, red frames show Crown Victoria's details according to previous descriptions. Notice: I included two Crown Victoria versions which include one with and another without wheel caps
