

Car Texture Details

In this document you'll find the reasons for putting logos in specific parts in every car

Step Van

Red frame from left image shows Raccoon City's Police Department acronym on Step Van's

Red frames from lower images shows a relation between RE2 and RE1.5: as you can see, are the same Step Vans just with different colors

The right image shows Raccoon City's Police Department logo on Step Van's door

Crown Victoria

Red frame shows Raccoon City's Police Department logo and its own font for "POLICE" on Crown Victoria's front door. Also, wheel caps

Red frame shows Crown Victoria's lights from a 1995-1997 model

Red frame shows Crown Victoria's details according to previous descriptions

Dodge Charger

Red frame shows Raccoon City's Police Department logo on Charger's front door. It's a Charger (1969), same as the one used in RE3 Nemesis, according to IGCD.net:

<https://www.igcd.net/game.php?id=207701>

Red frame shows Charger's details according to previous descriptions

AS-350

Red frame shows AS-350's Airport Reference Code

Red frame shows Raccoon City's Police Department logo on AS-350's side. Also, its Airport Reference Code

Red frame shows AS-350's details according to previous descriptions. Notice: this template wasn't made by me, this was made by Math4Dead included the model. I just added this to the pack to make it more complete
