

Car Texture Details

In this document you'll find the reasons for putting logos in specific parts in every car

Step Van

Red frame shows Special Tactics And Rescue Service's logo and generic "SWAT" stickers on Step Van

Red frames show in upper screenshots Step Van's details according to previous description. In lower screenshots "STARS" stickers are shown: the reason for this is because in original saga didn't exist "SWAT" on Raccoon City Police Department. "STARS" stickers fix "SWAT" discordance with original story

Red frames show Caprice’s details according to previous descriptions
